Statement of the "Incident"

On April 1, 2007 Plaintiff and his 7 years old Child went to Cochituate Lake State Park to enjoy and relax over the Boat Ramp together.

The Weather was perfect but little windy; and the Ramp area was occupied with Several Visitors parking their cars next to each other.

Plaintiff asked his son to go and get his jacket from his car that parked a few feet away. The Child refused and wanted to wear his own father's jacket instead.

So, he started to wrestle his father over the jacket. In about 2 minutes he managed to takeover his father's jacket, wore it and sat next to him happy with his victory.

The Father enjoyed his son's empowerment, hugged him, sat next to him and relaxed quietly until Natick Police Rushed Angrily into the scene toward a car parked next to Plaintiff's car.

According to Chief of Natick Police, they received a "Single" 9-1-1 report but, According to the "Angry African American Police Officer" who was assigned to investigate, he thought they received "Several" Phone calls on what was deemed "Suspicious Behavior".

While they both agreed on the reported concern was "Vague Suspicious Behavior" over a Boat Ramp of a State Park involved 6-7 years old boy and Hispanic 5.7 ft Adult man, however, they both Failed to understood whom and what the "Endangered Subject" Is! So, Police "Investigation" was launched in "Undetermined Mission".

Statement of "the Case"

As the Biological Father, faced with the above Law enforcement:

1. Can the Law Enforcement Agency in USA [or Egypt] force Separation, instruct or "Seize" Child away from Biological Father; without telling Father the reason why his child is Going to be seized; and leave Father wonders?
2. Can the Law Enforcement Agency "Investigate" an alleged Suspicious Sexual Behavior Reported to 9-1-1 with your Seized Child who is under 14 years of age? [Definition of "Mature Child"- DCF 110 CMR Glossary]
3. Can "Probable Cause" to overpass the Due Process of The Law, suggests that a 7 years old boy was witnessed engaging his Father in Bizarre "Inconceivable Homosexual Behavior" enacted and initiated by the Child forcing his Crotch [1st Scene] then, his Bottom [Later Scene] "near" his Father's face?
4. Can the Law Enforcement Agency documents in the Police report lies [to Cover Failure to Follow the "Due Process"] using Lies [Referring to Several non-existed Calls in Police 9-1-1 Log]?
5. If the DCF defines the "Abuse" as "the non-accidental commission of any act by caretaker upon a child" [DCF 110 CMR Glossary], can the Law Enforcement, after three officers' investigations with the Child, still be confused about that?

6. When Citizens file "Citizen Complaint" against Police Officer Misconduct, Should Authority to investigate leaves them waiting full year suffering from Humility, to be notified that, the Officer was "Mistaken" but still "Acted Properly"?
7. Can Board of Selectmen of towns in USA be aware of Police misconduct and ignore/choose Not to investigate the Chain of Command that is leading and allowing that to happen?
8. Finally, can any Police Officer under the color of his Law Enforcement and Uniform threaten any Citizen to loss his Child Custody if they were seen together again in Public?

In Egypt [Motherland of Plaintiff], the answer is "Yes" to "All of The Above" and you may take the matter in your own hands to fight for your dignity and your life if required.

In USA [Motherland of the Child], A few weeks after this Traumatic Experience, the Child raised the above questions to Abraham Lincoln in a letter drawn and articulated to express his strong will to find out the answer for his anxiety sooner or later.

But, because the Child Proposed either to write a paper like A. Lincoln or to fight for the little kids, the father is filing this Complaint to prevent his child from ever thinking "Taking Matters in his own hand" should be the way to live or a way to die, neither in USA nor in any other place on Earth.

Please, see the Following. [Exhibit 10]

Oh Abraham Lincoln, If only
you could come back alive
I would be so happy. I just
have a problem there are
little kids in jail and I
think that's wrong. What
should I do? write a paper
like you or should I fight
for the little kids. Oh
Abraham Lincoln, please
come back alive.

Statement of the "Facts"

Facts 1:

Natick Police Officer is here to "Investigate" "A Report" of
"Suspicious Behavior"

1. "I [Officer] told him [Plaintiff] that we received [Several]
phone calls as to what was deemed "inappropriate Behavior" [PR]

7. Plaintiff -who is an Egyptian Arab American- and his 7 years old American Born son went to enjoy Quality Time together relaxing over a boat ramp in Cochituate Lake State Park among "Several" visitors.

8. A few minutes later, an African Black American huge man wearing a Police Uniform arrived at the scene angry; he approached a Silver Toyota Camry that has a "Cross" hanging from the interior mirror indicating to the Christian Identity of the driver who was a White Skin woman around the age of 30 years old.

9. While The Black Police Officer was talking to the reporting party [White Skin girl sitting in the passenger seat of the Silver Toyota], he started an angry eye contact with Plaintiff who was carefully watching his arrival the second he entered the park.

10. In response, Plaintiff ignored his "Prejudice attitude", and relaxed back waiting for him to find out why "Natick Police" is "Angry at him" and "Formed predetermined Opinion" in this one sided-investigation [Exhibit 5].

II. "The Child now gets up and lay on top of the man" [PR]

11. Plaintiff's Child, who was sitting quietly next to his father [Plaintiff] [PR Page 1], got up to move from one narrow side of the ramp to the other [Passing by his father's upper body] as he described to his therapist, he was trying to relax next to his daddy.

12. Before the Child had finished his movement, the Black Officer left the calling party and ran toward him yelling out "You ... You... young man ... come down here right now" twice while holding his hands on his guns that were surrounding his belt!

III. "The man [Plaintiff] angrily stepped towards me and asked me [Officer] what I was doing" [PR]

13. The intimidated child ran toward the Black Officer who started to interrogate him [Per Police report, in sexually explicit language neither he speaks it nor he understands it]; the Child felt guilty and thought he was going to be arrested and go to jail [Per his testimony to his therapist]; and started to look petrified.

14. When Plaintiff/Father -who had not moved yet- observed that his child began to suffer emotionally, he quickly stood up; started to get angry; walked toward the angry Black Officer; questioned his authority to yell at his child and to seize him away from his own father in an extremely vulgar manner does not suit his Police Uniform; and demanded (1st) the Officer to explain the "Probable Cause" of his act of seizure to his 7 years old child.

V. "I [Officer] asked the man to lower his voice" [PR]

15. The Black Officer distracted his attention away from the child and started walking towards plaintiff ordering him to stay where he was; stuck his chest against plaintiff's face and asked him angrily "Are you yelling at a Police Officer?"
16. The Black Officer did not seem to understand Plaintiff's demand for his Civil Right so, Plaintiff reminded him out loud again that he [Under the color of Law] is the one who is yelling at his child; and seized the Child away with out any obvious cause or valid explanation.
17. Plaintiff demanded again (2nd) from the Black Officer to tell him immediately what exactly the Law violation -if any- that entitled him [Under the color of Law] to interrogate a "Seized and Petrified child", before obtaining his father's Consent.
18. The Black Officer angrily circled his arm around his face shouting "He is allegedly your son" then, talked to dispatcher asking for more force. In response, Plaintiff confirmed to him that the child is indeed his own son; and demanded again (3rd) to know what his child did wrong; and why he [Black Officer] is yelling at him; and is seizing him as if there is no Law rules this Town.
19. The angry Black Officer denied that he was yelling at the Child; ordered plaintiff to show his ID and then, questioned him his name, where he lives and where he works.

20. Then, the angry Officer ordered plaintiff not to move; took the child with him to the back of plaintiff's car; and ordered the Child not to move. Then, while Officer circled twice around Plaintiff's car searching it, 2 more Police Cars arrived.

Fact 2:

Two more Police Officers from Wayland and Natick arrived to further "Investigate" with the "Intimidate Petrified Child"

I. "Arriving on scene was Officer Kevin Kelly of Natick Police, as well as Wayland Officer" [PR]

21. At the arrival of two White Police Officers, Plaintiff found his child being dragged again under new interrogatory Process by one of the new officers. So, Plaintiff walked to the Black Officer; demanded (4th) him to tell what did his Child do to any one to be Seized and interrogated by this intimidating Police Forces.

II. "He [Plaintiff] has had to be a father and a mother to his son which I believe was Egypt" [PR]

22. The Black Officer refused to respond to Plaintiff's demand, and brought the "Mother" into the picture. He asked Plaintiff what is the child's name; where the child's mother is now; and where she lives.

23. Plaintiff responded to the Black Officer that he is an Egyptian Muslim American; the child carries his name and Family Name; and the Child is under his Custody; and any concern about the Child MUST be addressed only to him [The Father] alone not to the mother.

24. Plaintiff warned the Black Officer that, the Child is "extremely attached" to him because his mother had sever Postpartum Depression and was unattached to him; and wanted to send him to Egypt to be raised by her own mother; Plaintiff had to become a father and a mother to his Child; and his act of "Seizing the Child" is now causing great deal of harm and making the child to suffer in fear of him.

25. The Black Officer ignored the sensitivity of this issue and asked Plaintiff again about the mother's name and phone number. But, Plaintiff repeated to him again that he does not know her phone number by heart; and, unless he is threatening Plaintiff to be arrested, "legally" he [Officer] should not need the mother since the child is already in Plaintiff's "Legal/Physical" custody now; and demanded (5th) [out loud] again to know what the Officer's "Problem" is.

Fact 3:

Natick Police Officer is now responding to Plaintiff's 5th Demand and explains his Constitutional Violation of seizing a child from his father.

I. "When asked of the position in which I observed them" [PR]

26. At this point the Black Officer angrily raised his right palm at his face and stated to Plaintiff that he saw the Child moved his bottom closed to Plaintiff's face!

27. Plaintiff made sure that he got it right, clear and confirmed with the Black Officer that "his Legal Issue" according to "his limited Observation" was, that, the 7 Years old Child did the above described movement on his own, freely,

while the Father was not involved; and was not doing any suspicious movement at all or violated any Law.

Fact 4:

Plaintiff explained he has no obligation to deal with The Caller's and Black Officer's "Sexual Hallucination" about "Children Sexuality" and "Pornographic Perception of Events in Life".

28. Plaintiff explained that his "Fatherhood" has equal constitutional and civil rights like any other mother decides to bring her own children to this State Park. Plaintiff pointed out to the Black Officer that, it may not be common practice or even a norm for children to have a "Father" in some American Culture; however, Plaintiff as an [Arab Muslim American] has different roll and obligation to his Fatherhood.
29. Plaintiff stated to the Black Officer that as long as his Child is enjoying his freedom to be himself and acting his age on his own freely, he [Plaintiff] owes no one any explanation.
30. But, the Black Officer disagreed and got angry again; and shouted out loud at Plaintiff **"Excuse me ... it is the parent's responsibility to teach the child how to behave"**

I. "He stated that my son is into wrestling" [PR]

31. Plaintiff again, responded to the Black Officer that this Cultural Issue of "Behaving" and "Parent's responsibility" are not part of his Police Job; the child is only 7 years old boy into wrestling; Plaintiff allows him to enjoy his wrestling ability with him at home. Hence, neither plaintiff nor the Child has much concern about Officer's ideal behavior in public; and he is not here to meet any one's expectation.

32. Plaintiff reminded the Black Officer that he [along with the other Officers] had already conducted investigations with the child minutes ago; and asked the Officer "What did the Child tell you about that "Sexual hallucination". But, the Black Officer ignored Plaintiff and refused to respond.

33. The Black Officer found it more convenient for his constitutional violation to stick to the 9-1-1 Caller's and his malicious Sexual Hallucinating observation to Plaintiff's 7 years old Child homosexual tendency acting toward Hispanic Male in his 40's over the boat ramp.

II. "... and lies in his face then farts in his face!"[PR]

34. Plaintiff told the "Reluctant" Black Officer that he should know better the child's intention [of getting up passing his bottom "accidentally" across father's face]; as Far as Plaintiff concerns, whether his child accidentally hits him in the face, or fart in the face, he is comfortable with that; and reminded Officer again that Plaintiff has no obligation to explain his child natural act and "Attachment to him [father] to any one as long as the child is acting his age and himself.

III. "... and told him if this was not appropriate, it was certainly very bizarre behavior" [PR]

35. The Angry Black man again burst in anger shouting "Excuse me? Fart in your face? My kids do not fart in my face!" then, he started to shout out louder "I do not care how you raise your children in Egypt; that has no room in here. When you bring your child to Public Places in this country, you have to learn how to conduct yourselves."

Fact 5:

The second Police Investigation with the petrified Child came to confirm, along with the first one, that "9-1-1 Reported Incident" was an "Accident" and established the Fact of "No Wrong Doing"

36. At that point, Officer Kevin approached him whispering in his ear "Roni ... Roni ... Calm down, I asked the boy if he usually ... (inaudible), he said it was an accident".

37. In the presence of Officer Kevin, Plaintiff reminded Black Officer "Every one is different ... you are black ... he (Officer Kevin) is white ... I am not black nor white ... I do not think I need to teach my son how your black kids conduct their lives with you; neither I need my son conduct himself to meet the expectation of a sick [sexually disoriented] person".

38. Plaintiff twice warned the Black officer that his son's name, Plaintiff's Name and the Family name should not be mention in any Public Record [Referring to this wanton Sexual Illusion of the sick 911 caller or his confused Police mission or his pornographic observation; that may be used to harm his reputation and his son's as well in the future].

Fact 6:

Despite the proof of "No Wrong Doing", plaintiff was ordered to vacate the State Park for the convenience of the 9-1-1 caller(s); and was threatened to loss his Child custody if he was ever seen again with his child!

39. The Black Officer who seemed carless about Plaintiff's concern of Privacy issue, instructed him to take his child

and leave the State Park immediately in a threatening language as follow:

"Now, take your son and leave the park ... next time if I ever see you again, I will take you to the probate court".

40. But Plaintiff wondered what he meant by "Probate Court"! So, he went back to ask the White Police officer "What he means by Probate Court?" But, the Black Officer volunteered to respond instead and quickly stated that:

"This is where you are going to loss your child custody if I see you next time".

Fact 7:

Plaintiff's "Citizen Complaint" was investigated but went unanswered for one full year!

41. On April 1, 2007 Plaintiff immediately went with his son directly to Natick Police Station and filed "Citizen Complaint" with Officer Mark St. Hilarie reporting [Exhibit 1] unacceptable threat to loss the Custody of his son and the illegal dismissal from State Park; and requested his privacy to be protected; and warned that there is a Custody issue with the child's mother [Exhibit 9].

42. On April 1, 2007 at night time Plaintiff called Natick Police reporting the Child is [Now] in State of Panic; Crying and suffering in fear from this Police Officer's Action.

43. On April 25, 2007 Plaintiff received the Police report after 24 days of requesting it [Exhibit 2].

44. Police Report presented the "Probable Cause" in wanton Malicious Homosexual Explicit description of 6-7 years old

Child as a "Porn Star" taking a "LEADING ROLL" in an outdoor porn movie over a Boat ramp.

Example: "Child sat on 5.7 ft tall Hispanic man's chest with his crotch towards the man's face; then, in a later scene The Child [Now] gets up to position himself in a 69 Scene!"

45. On the other hand, Police Report fabricated the "Due Process" and mentioned the exact opposite of what happened or reported what "Should have happened" as allegedly happened.
46. Police Report fabricated phony "Several 9-1-1 Call"; phony Polite Civilized Police Conduct by Black Officer; and phony Police Investigation with the alleged Adult Suspect never took place or took place inappropriately with a child.
47. On May 26, 2007 Sr. Paul Thompson met with Plaintiff and his child to conduct the investigation on the Citizen Complaint. He acknowledged father's concern and expressed his resentment to the misconduct of Officer Richardson; and indicated to plaintiff that " It is not the first time he heard such complaint on his misconduct"
48. Sr. Thompson informed Plaintiff that he is going to write his views on both sides of the story and have the Chief of Police review it. The Chief shall be the one who is going to make the "Final Decision".
49. On November 11, 2007 When Plaintiff did not receive any response to his Complaint, he demanded the Board of Selectmen of Natick to produce the result of their Police Department Investigation on the Citizen Complaint he filed on 4/1/2007.

50. On February 26, 2008 Plaintiff sent another registered letter reminding Chairwoman Carol Gloff that the result of the investigation has not been received; and Plaintiff has not heard any response neither from her nor from her Chief of the Police Department [Exhibit 3].
51. On February 29, 2008 Plaintiff contacted the office of Congress Edward Markey asking him for action [Exhibit 4].
52. On March 21, 2008 Plaintiff received the result of the Citizen Complaint investigation after one full year from Chief Dennis R Mannix of Natick Police admitting the Followings:
- A. The Negligence in his duty to respond to Citizen Complaint.
 - B. His Officer Fabricated "Several" reported numbers of 9-1-1 calls that motivated him to "Seize" the Child from the Father.
 - C. The use of threats under the color of law by his Officer [Calling it "mistake" that was corrected by another "Mistake/Violation" when referred the "No Wrong Doing incident" to the DSS to damage Plaintiff's Reputation]
 - D. The Lack of understanding to the Roll of DCF as he thought to be "The More Specialized Investigating Authority that assigned to investigate the Atmosphere Abuse of Natick Boat Ramp".
 - E. We, "the Citizen" do not have the ability Distinguish between "Vulgar Behavior" and "Police Investigation".
 - F. The contradiction of his Police Investigation. Since he called it "Properly reported the incident to DSS", while:
 - All three officers had confirmed the "No Wrong Doing";
 - "If" there was any kind of suspected Child Abuse, the child should have never been left to his abuser;
 - All three Police Officers did allow the Child to leave with an alleged "Suspect of Child Abuse" [Exhibit 5].

53. On May 5, 2008 & May 21, 2009 Plaintiff sent 2 registered Letter to the DSS requesting copy of their report on this incident and their "Findings" including the date and the time of Natick Police referral to their Authority. No Response was ever received or contact was ever initiated [Exhibit 6].

Fact 7:

Plaintiff has been suffering The Consequence of this wanton malicious Police Misconduct against him and his Child as well

54. On May 12, June 5, July 18, July 30 and August 24, 2007 the Child and the father went under Therapy to deal with their anger, fear and humiliation. [Exhibit 8 & 10] And, again in May 2009 when, the mother of the Child, in her Battle to remove the Child Custody to Canada used Natick Police wanton malicious characterization of the child's love to his father as "Negative Factor/Behavior" to raise the "Suspicion" around them and damage their credibility in Child Custody Battle before Single Court and Superior Court Battle [Exhibit 9] DSS page 24 & 25.

END of FACTS

Analysis and Causes of Action

The Suspicious Character of the 9-1-1 Caller and the History of misconduct of the "Incompetent" African American man hired as a Police Officer in a Town that has only 1.6% Black Residents

First cause of Action:

Officer Richardson of Natick police acted in a "Natural" willful, wanton and malicious manner in violation of plaintiff's rights under 4th & 14th amendment to USC, 42 USC §1983; and in violation to M.G.L. 272 Sec 98, 265 Sec 37 and 268 Sec 6A.

55. As a threshold matter, it is clear that the 2 "Elements" caused the loss of Plaintiff's Civil Rights to feel secure and safe to father his child in Public Place, The Sexual Hallucination of 911 caller and The Incompetency of The African American Police Officer:

A. The Character of the Caller(s):

The only 9-1-1 caller was Sexually Disoriented White Immature Female Tourist; whose Hallucinating thoughts was causing her to think of Plaintiff's 7 years old Boy should be playing with Dolls rather than "Wrestling" with his farther; and "Men as Sperm Donner", they act "Inappropriately" when they get near their Children in Public [Exhibit 2].

B. The "Incompetency" of the Black Officer:

I. Black Officer "R. Richardson" has "Negative Reputation" between his colleagues and many of Natick Residents as well. That is "Documented" in the number of Citizen Complaints filed against him [Per Sr. Paul Thompson]. His

"Misconduct" has always been blamed on his natural "Deep Voice, his angry Look and Huge Size" rather than his brutal nature and the misuse of Police Power to intimidate and insult Citizens and not following the Due Process.

- II. Officer Richardson exhibited a combination of "Sexual Hallucination" deeply influenced by the Multi-Billion Dollars Porn Industry with its Product Lines and Product Items; and "Mental Incompetency" that led him to believe he sees a 7 years old boy was having Sudden "Homosexual Desire" to stick his bottom in sexually provocative position at his own father's face over a boat ramp.
- III. However, he exhibited his Competency back in re-writing event in Police Report when he Fabricated "Verbs", "Dialogue" along with his Malicious Wanton Sexual Description of the Child's natural interaction with his own Father; to justify the act of "Seizure" & "Discrimination" against Plaintiff and his Child Based on alleged new "Bizarre Sexual Interest" called it "Fart Smelling", not Based on their Gender, National Origin [Egypt] and Ethnicity [Arab]. [Violation of M.G.L. 272 S98. & 265 S37]
- IV. Officer Richardson threatened Plaintiff to take him to the "Probate Court" and asserted his willful threat by telling Plaintiff that is the Court that will deprive Plaintiff from his Civil Rights using Officer's [Fabricated Sexual Hallucination] about his child if he sees Plaintiff again.
- V. Town of Natick, with its 1.6% Black Population, Process of Selection and hiring Black Police officer who has been establishing strong history of Brutal Violence, Threats, False Reporting and misconduct is "Questionable Behavior".

The Action of
Chief of Natick Police as Final Policymaking Authority

Second Cause of Action:

Chief of Natick police acted in willful negligence and violated plaintiff rights under 4th & 14th amendment to USC, 42 USC §1983, M.G.L. 265 Sec 37 and 268 6A, and in negligence to his power and Duties according to M.G.L. 41 Sec 97A.

56. Chief of Natick Police willful and intentional failure to respond to citizen complaint promptly was failure to his mission to ensure and guarantee equal protection to all Citizen's Constitutional and Civil Rights without Discrimination, Threats or Intimidation following the Due Process of The Law as evident by the followings:

- I. Chief of Natick Police failed to take adequate action to discipline his subordinate. Instead, he allowed, permitted and approved his subordinate's act to manufacture false Due Process, false Probable Cause and false Process of Investigation; using Plaintiff's Child as a "Suspect" after fitting the Child in an acting roll of Porn Line of products in malicious sexual descriptive sickening details.
- II. Chief of Natick Police exhibited alarming signs of "Contradiction", "Confusion" and "Lack of Training" of his Units when he Constituted the Act of seizing the child by his Incompetent Officer despite his full knowledge of:
 - a) The Officer has history of Citizen Complaints filed against his Misconduct and the abuse of his Police Power.
 - b) The Officer fabricated "Several" 9-1-1 calls.

- c) The Officer threatened Plaintiff under the color of law.
- d) The Officer forced Plaintiff to leave the Park despite the lack of any evidence to any law violation.
- e) The DCF is concerned with Child Abuse prevention, not the Atmosphere abuse prevention of Boat ramps in Natick.

III. Finally, despite plaintiff's several requests to protect his Privacy and Values, Chief of Natick Police intentionally and willfully had "Engaged" the "Threat" of his subordinate to his "Approval of the threat". Calling "Threat" "mistake" does not help clearing the "Public Humiliation" that inflected on plaintiff's ethnicity and values causing it to look odd, bizarre and inferior to false values of false phony callers of 9-1-1 and his African American Officer's ethnic perception of Fatherhood.

The Action of
Selectwoman Ms. Carol Gloff as Final Policymaking Authority

Third Cause of Action:

Selectwoman of Town of Natick acted in willful Negligence and Violated plaintiff rights under 4th & 14th amendment to USC, 42 USC S1983, M.G.L. 265 Sec 37 and 268 Sec 6A; and in intentional negligence to her duties according to her power granted by M.G.L. 41 97A & 23B as following:

57. Select woman Ms. Carol Gloff the final Policymaking authority; who is responsible for the process of Planning, Organizing, Leading and Controlling; was granted "Authority" by M.G.L. 41 Sec 23B to Investigate any town department that becomes subject to "Citizen Complaint" particularly when the Complaint is about Police brutality and the use of Oppressive unconstitutional threats.

58. That fact that her subordinate Chief of The Police apologized to Plaintiff for the one full year delay in his notification of his final decision to find his incompetent subordinate "was mistaken" but, ultimately "acted properly", is leading to one Fact beyond the reasonable doubt that, Selectwoman Ms. Gloff intentionally ignored the Plaintiff request twice to cover her Negligence and Failure to carry out her responsibility to personally investigate this form of Negligence in handling "Citizen Complaints". [M.G.L 41 Sec 23B]

Final Statement

Although the loss of Civil Rights due to unconstitutional Threat under the color of law is "Intangible Loss Hard to Proof", however, in the foreseeable future this Police Act of [Abuse of Power, Fabrication in Records and Logs, Threats, Negligence, Lack of Training on Standards and Constitutionality, Forcing Sexual Humiliation on Children and their Fathers using incompetent Officer's Hallucinating Observation of inconceivable conduct of 7 years old child], could definitely damage the integrity of Natick Police Department and its honorable mission in the society.

END of ANALYSIS

Conclusion

Providing the above Circumstances in Facts 1-7 and Defendants' Conduct [Black Police Officer Ronald Richardson, Chief of Police and Selectman/woman in Town of Natick] stated in paragraph 1-58, it is unarguable Fact beyond the Reasonable Doubt that Plaintiff's loss of his Constitutional Civil Rights [To have safe and secured access to State Public Park] was engaged with public Humiliation and Unconstitutional Threat under the Color of Law by the Law Enforcement Police Department of Natick [To loss the Custody of His Child]; and due to the lack of adequate Supervisory Lead and Control over "Citizen Complaints" investigation in Natick Town Departments, Plaintiff endured fears and suffering of the past and future loss.

Therefore, the Town and its Police Department acted "Willful Negligence" together in violation of plaintiff's rights under 4th & 14th amendment to USC, 42 USC §1983 and 42 USC 1985 (3); and in violation to M.G.L. 272 Sec 98, 265 Sec 37 and 268 Sec 6A; and in negligence to their Powers and duties according to M.G.L. 41 Sec 23B, 97A and 268 Sec 6A.

END OF CONCLUSION

1 SUSPICIOUS BEHAVIOR

Ref: 07-437-OF

Dictated by Officer Richardson
Transcribed by MC

At approximately 1516 hrs on Sunday, April 1st, 2007, this officer was dispatched to a report of inappropriate behavior at the boat ramp. The subject involved was stated to be a Hispanic male, approximately 5'7, wearing dark colored jeans and a tan top. It was further told that the reporting parties were in a vehicle observing that subject at the time. It was stated also that there was a young child involved.

Arriving at that location, I was flagged down by the reporting parties; two females sitting in Toyota Camry, silver in color. The passenger identified herself as the calling party. I noted that to my right, at the end of a dock which was extending out into the water, I saw a white male lying on his back with his feet extended out towards the water. Seated near him was a young child of approximately 6 or 7 years old.

While talking to the reporting party, I watched the child and the man. XXXXXXXXXXXX stated that the man had been on the dock by himself for a while, approximately 10 minutes, and the child was seated in the car of the parking area. The vehicle was a four-door sedan, bearing MA Reg. #74KP63. This officer noted nothing regarding the vehicle of interest. XXXX XXXXXXXX and the other occupant, XXXXXXXXXXXX, stated that the man was lying on the dock for a while, and after approximately 10 minutes he called to the child to come to the dock where the man was sitting. She said while they observed this subject, the young child sat on the man's chest with his crotch towards the man's face. While this officer listened to this account, he observed the child now get up and lay on top of the man. The position of his legs in posterior, being near the face of the man and could not tell exactly where the child's face was.

At this time I started to walk towards the position of the aforementioned parties, calling out to the young boy for him to get up and come towards me. I called out several times before these two people, the child and the man, acknowledged me. The child came towards me and I asked him if he was ok. I asked him if he had been touched in a wrong place, and he stated no, that he had not. At this time the man angrily stepped towards me and asked me what I was doing. I told him to calm down. I asked for his license and registration and he again demanded me to tell him what I was doing. I told him that we received several phone calls as to what was deemed inappropriate behavior and I was there to investigate. I asked the man to lower his voice. At this time he gave me his license, identifying him as XXXXXXXXXXXX of XXXXXXXX

Ref: 07-437-OF

XXXXXX apartment 305. He stated that the young boy was his son, XXXXXXXX, who answered to the name of XXXXXXXX XXXXXXXX, when asked of the positions in which I observed them, stated that his son is into wrestling and lies in his face then farts in his face. At this time I said, "Excuse me?" He answered me again. He stated, "He farts in my face and I smell them." I looked at XXXXXXXX and told him that if this was not inappropriate, it was certainly very bizarre behavior. XXXXXXXXXXXXXXXXXXXX XXXXXXXXXXXX The wife is stated to live at XXXXXXX her name being XXXXX He states that he has had to be a father and a mother to his son, XXXXXXXXXXXXXXXXXXXX to the homeland, which I believe was Egypt.

Arriving on scene was Officer Kevin Kelley of the Natick Police, as well as a Wayland officer. Officer Kelley spoke to the boy who again confirmed that he had not been touched in an inappropriate matter. In the presence of both officers, I explained to XXXXXXXXXXXX that his behavior was inappropriate at best, and not conducive to the atmosphere of the boat ramp. He was then instructed to leave the area at this time.

Ref: Police Report dated 04/19/2007
Incident #:07-437-OF Call#: 07-5034
Date/Time Reported: 04/01/2007

Dear Madam/Sir:

On Sunday April 1, 2007 I filed a Citizens Complaint Form at Natick Police Department addressing aggressive, vicious, brutal, humiliating and irresponsible police misconduct against my seven years old son Hossam Elaskalani and myself as well.

Briefly, in a very hysterical move officer Ronald Richardson shouted at my 7 years old child, separated him away from me violently then, interrogated him with unnecessary filthy language.

He humiliated my son in my presence without my consent to approach him and before I was even asked to introduce myself and my relationship to my son.

Officer Ronald Richardson forced me and my son to leave the Public Park and threatened me to be arrested and taken to the Probate Court if he ever sees me again with my son. More importantly, I was never addressed by any of the Police Officers with Natick Police Department concern or told why 3 Police Officers with 3 Police Cruisers are here.

Right after the incident, I went to file a complaint at the Police Station of Natick with Officer Mark St. Hilarie (Copy Attached) then, waited 25 days to receive the Public Record of the Police Report (Copy Attached).

Then, 56 days later I met with Sr. Paul Thompson who was assigned to investigate my complaint and spent almost two hours carefully listening to my concern. *Sr. Paul Thompson who handled the complaint in a very professional manner told me the next step shall be raising his report of the two sided story to the Chief of the Police Department who should make the final decision.*

Since then, I have not heard from Natick Police Department how my complaint is handled.

Dear Ms. Chairwoman Carol Gloff and Mr. Charles Hughes:

On November 11, 2007 I mailed Natick Town Board of Selectmen a "Citizen Complaint" asking for restoration of the dignity and civil right of my 7 years old son Sam Elaskalani who was insulted humiliated and interrogated like a criminal by Natick Police Officer Ronald Richardson with filthy language. We were forced to leave Cotchituate Park of Natick and threatened by Officer Richardson if he ever sees "Us" again he shall take me to the probate court and per his saying "Where you are going to loss the custody of your child"!

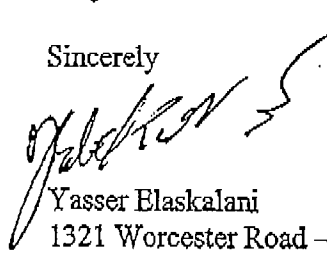

Officer Ronald Richardson was very confident of his words of threat as well his act of our dismissal from the Public Park.

Until this day I have NOT received the result of the investigation of my "Citizen Complaint" or I got any response to the letter I sent you on November 11, 2007.

Since Natick police department directly reports to your board and has ignored my demand, would you please review and approve the result of the investigation conducted by Sr. Paul Thompson then, send me your decision or findings explaining the "Legal Ground" of our dismissal from Cotchituate Public Park of Natick.

Please accept my apology for any inconvenience caused by this demand. This issue is about "The Family is the Cell of the Community"; when one cell is attacked, the whole body should take the defensive position and my 7 years old son was attacked.

Citizen Complaint

Congressman Edward J. Markey
2108 Rayburn House Office Building
Washington, DC 20515

Dear Congressman Markey,

On April 1, 2007 I went to Natick police station with my 7 years old son to file a Citizen Complaint with Officer Mark St. Hilarie against Natick Police Officer Ronald Richardson who on that day insulted, humiliated my child and interrogated him like a criminal using his filthy language. Then, he called for two more cruisers from the town of Wayland to further enforce his brutal attitude on my 7 years old child who looked around himself to find 3 police men in there uniform each coming with his own cruiser isolating him from his only protection in his little world. What was the crime he committed? ... He was having relaxing quality time with his own father over a boat ramp in Cotchituate Lake of Natick where over 20 cars were parking next to his father's car; but only one of these cars were occupied by 2 women decided to employ the police force of 2 towns to instruct us to leave the park after putting my child through "Psychological Trauma"

On April 25, 2007 I received a copy of the police report full of lies and defamation to my son and to me as well reported by Officer Roland Richardson claiming that I told him I brought my child to the boat ramp of Cotchituate Park of Natick to fart in my face because I like to smell it!

On May 26, 2007 I brought my son to meet with Sr. Paul Thompson who was assigned to conduct the investigation. I demanded an apology to my son from the chief of the police department and if my son or my name is going to be mentioned in this public record I would like to see a clean police report reflect the level of respect this police department owes to its citizens.

Sr. Thompson explained that he shall pass the result of this investigation to the Chief who shall deliver the final decision.

On November 11, 2007 I sent a registered letter to the Board of Selectmen of Natick repeating the same demand to restore the dignity and the civil rights of my American Born child.

Until this moment I have not heard the result of the investigation or contacted by the proper authority neither by Natick Police nor The Board of Selectmen of Natick Town.

Mr. Yasser Elaskalani
1321 Worcester Street – Apt. 305
Framingham, MA 01701

Dear Mr. Elaskalani:

I write to respond to your letter to the Board of Selectmen in Natick relative to allegations filed against a Natick Police Officer with whom you had some interaction with in April 2007. In reviewing the record of the investigation, I find the investigation was completed, but you were never notified of its findings. I apologize for the delay in notification.

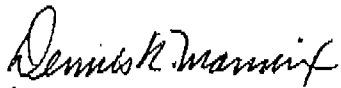

The investigation revealed that on April 1, 2007, Officer Ronald Richardson responded to a report of suspicious behavior alleged to be occurring on the dock at Cochituate State Park. Upon arrival, and after speaking with the reporting party, Officer Richardson approached you and began his investigation. After listening to your explanation of the interaction between your son and you, Officer Richardson formed the opinion that the incident should be reported to a more specialized investigating authority. Although Officer Richardson indicated that authority as the Probate Court, he was mistaken and the case was ultimately referred to the Commonwealth of Massachusetts Department of Social Services for investigation.

The allegation that the officer called to your son in a "very deep voice scaring [your] son," and ordering you to stay where you were, while perhaps intimidating to you and your son, does not rise to the level of a sustainable complaint. Officers' voice inflection varies greatly, depending on the type of investigation being conducted and the circumstances presented.

As to the allegation that the officer acted improperly in the manner in which he investigated your complaint, I find that the officer acted properly in separating you and your son while he conducted his investigation and properly reported the incident to the Department of Social Services for further investigation.

Sincerely,

Dennis R. Mannix

Reference: Incident on April 1, 2007 involved my 7 years old son Hossam Elaskalani

Dear Madam/Sir:

Enclosed, please find copy of the letter I received from Chief Dennis R. Mannix of Natick Police indicating that the *"Incident"* on April 1, 2007 involved my 7 years old son was ultimately referred to your Department as *"Specialized Investigating Authority"*.

On April 1, 2007 my son was interrogated by:

- The assigned Police officer who reported to State Public Park to *"Investigate"* the *"Incident"* with the *"Several"* 911 callers.
- Two more Police officers from Wayland Police who joined Natick Police in a matter of 5 minutes soon after I questioned Natick Police Officer 5 times....
"Why are you yelling at my child...What is your Problem?"

But, it seems the findings of the Police *"Interrogation"* were not *"Decisive"* enough. So, my son and I were ordered to leave the park and *"Threatened"* to be taken to the *"Probate Court"* if Natick Police *"Ever sees me/us again"*! Which was later explained in the referenced letter that was not a *"Threat"* but rather, it was a *"Standard Operation Procedure"* for this *"Type"* of *"Investigation"* after what is called *"Forming the Opinion"* on what should be done next in similar *"Circumstances Presented"*.

Although I had 2 hours meeting with Sr. Paul Thompson on May 26, 2007 who was assigned to investigate my *"Citizen Complaint"*, I was never told with such referral.

Hence, referring this *"Incident"* to your Authority for further investigation could be interpreted in different significant meanings based on how your Authority defined:

- 1st: *The Circumstances Presented*
- 2nd: *The Collateral(s)*
- 3rd: *The Protective Concern(s)*
- 4th: *The Relevant Information*

My previous interaction with your Department assures me *"DSS Does Not Lie"* when conducting business. I also appreciate your dedicated efforts in conducting *"Thorough Investigation"* when I asked for your assistance when my wife made false allegation against me (*Though my concern was protecting my Son from his Mother who threatened to kill him when he was infant due to her Mental Illness Not protecting his Mother from harming herself*).

[Please, see your report on 7/11/2003 Dated March 4, 2004]

11

Taking into consideration the Critical Work Nature of your Department along with the Risky Mission of The Police Department, making intentional/unintentional mistakes during the process of your and their investigation can bring disasters on our quality of life if it did not cause a loss of life in some instances.

Hence, Accuracy in Government Reporting should never be an "Option" left to the "Incidental Personal Trait" of the investigator and has to be "Established" first before these reports become "Public Records" or used in courts.

Accordingly, I would like to exercise my right to protect my child's best interest and rights to prevent any potential harm, humiliation, psychological damage and abuse from any legal/illegal authority intentionally/Unintentionally exposing him to sexually oriented culture(s) violate not only our values and religious believe but also the Law of Natural.

Please forward me the "Report" of your "Findings" on this case including some imperative information:

1. *The exact date and the Time of reporting this "Incident" to your Authority by Natick Police and the date of action taken on your behalf.*
2. *If you were aware of filing "Citizen Complaint" and the "Phone Call" to Natick Police at the night of the incident by the Biological Father of the child reporting "Police Brutality" against his 7 years old son as "Relevant Information".*
3. *What are the exact wordings of the questions asked by the two police officers to find out about the nature of the alleged "Inappropriate Suspicious Behavior"? [Please note my son does not have any memory if this Type of Questions he was asked and that is a Psychological Alarming Sign to me as a father]*
4. *If Natick Police chose not to inform me of this "Referral" until 355 days after the incident, why I was never been contacted by your authority back then?*

For further "Relevant Information" and "Completion" on this "Referral" please contact the following Doctor(s) whom I seek "Treatment" for my son:

Psychiatrist Dr. Amjad Bahnassi, MD (*Recommended having him seen by Psychologist*)
202 Russell Street - Worcester, MA 01609
Telephone: 508-753-5554
Date of Visit: 5/12/07

Psychologist Dr. C. Paula Krentzel, Ph.D. (*Recommended Dr. Harvey for better result*)
14 Vernon Street - Framingham, MA 01701
Telephone: 508-872-01701
Date of Visit: 6/05/07

Psychologist Dr. Michael A Harvey, Ph. D., A.B. P. (*Treatment required 3 visits*)
200 Lockland Avenue - Framingham, MA 01701
Telephone: 508-872-9442
Date of Visit: 7/18/07, 7/30/07 & 8/24/07

Dr. Harvey who had extensive conversation with me and my son during 3 Visits to his office should be able to better explain to your department in an academic language why my 7 years old son on August 24, 2007 after 146 days of his interrogation with "Language" he never speaks, spent 15 minutes crying struggling to answer 2 significant questions asked by Dr. Harvey ...

Dr. Harvey: "How did you feel when the police approached you?"

My Son: (In tears)...I was afraid they take me to Jail....

Dr. Harvey: "Are you afraid of The Police?"

My Son: No ... Only Natick Police.

I do appreciate your efforts and I hope you understand that my son is "Extremely" attached to me because I am the only one in life who showed him TLC in his early difficult development. How he expresses his love to his father should not offend any normal human being who understands what it means to have a "FATHER".

Sincerely

Dear Ms. Nardine, to wrap up this issue, I came to your office on 5/12/09 to:

1st: Request -for the 2nd time- DSS legal records on my son incident with Natick Police officer on 4/1/2007 (Officer Richardson violated our Civil Rights, did not follow the due process of the law then, covered up his misconduct by falsified Police Report/Records)

2nd: Report

I came asking for equal protection of the law with disregard of our gender and ethnicity hoping for accurate investigation equal to the one applied to female children who are similarly situated so I can provide my son with safe mental and physical environment.

It took Natick Police one full year to respond to my Citizen Complaint, but not responding was never an option to access government public services and records.

Please contact me if you need to confirm any evidence needed to establish the facts.

Respectfully,

Yasser Elaskalani

Relevant Information	<p>Call to the Dunning School 508-626-9155. Worker inquired about Michael age 9. The school refers to him as Sam. Worker was connected to Elizabeth Jeffery the school adjustment counselor. They refer to Michael. At this time, the school does not have concerns for Michael. He is described as an "odd kid" and immature but over the last 2 to 3 years has grown. He comes to school prepared, homework done and always talks positive about both parents. She had the opportunity to meet with Michael</p> <p>At this time, Michael is in the custody of his father and visits with mother whose primary address is in Canada (unknown) every other weekend. Mother, upon father's request, had mother meet with a minister in their Church to counsel mother on allowing father to have custody of Michael</p> <p>The school has never seen any marks or bruises and Michael is a vocal child that would report if he was being "beat". She will check in with the classroom teacher and nurse and agreed to call screener if there are any concerns that she is unaware of. Parents are conflicted and can at times be challenging to deal with as far as to what is the truth, Michael</p>

Holiday (Patriots Day).

[REDACTED]

Mother is of the Islam religion and has met with two different religious leaders from two different Mosques for advice on what to do. In their religion, once a male child reaches 7 they are to live with their father, she has spoken to two different Mosques about this, and this is the advice that they have given her. Worker questioned if this is until the male reaches 18. Mother said that it is.

Recently [REDACTED] did not want to visit with her and after school vacation told her that he only wants to visit 1 weekend a month and be with his father 3 weekends a month. He reports that his mother is bad and mean which is not the case at all.

[REDACTED]

This is not the first time that DCF has become involved with her family. Two years ago, a very inappropriate occurrence happened in the Town of Natick, MA with her son and father, which should be on record.

[REDACTED]

[REDACTED]

[REDACTED] had reviewed the most recent Court order and at this time, if father is not allowing visitation every weekend he is going against the Court order.

negligence or inability, to take those actions necessary to provide a child with minimally adequate food, clothing, shelter, medical care, supervision, emotional stability and growth, or other essential care; provided, however, that such inability is not due solely to inadequate economic resources or solely to the existence of a handicapping condition. This definition is not dependent upon location (i.e., neglect can occur while the child is in an out-of-home or in-home setting)."

The 51A report that was filed on behalf of ~~Yasser~~ age 7 for neglect by the father will be screened out. The report included witnesses observing the father and son engaging in what looked like inappropriate behavior on a boat ramp at a local State Park. Police responded and the father stated that the child likes wrestling moves and they were playing a game. The father was not arrested and has no record. The school does not have concerns at this time.
